

**Get off your daily
BPH medications and
get back to your life.**

FREE HEALTH SEMINAR ON OPTIONS FOR TREATING BPH

Are you worried about being on your BPH medication for the rest of your life?
Do you suffer from medication side effects such as low energy, dizziness or loss of libido?
Are you concerned about prescription drug interactions?

There's a one-time office procedure that may free you from the symptoms of BPH. PROSTIVA™ RF Therapy, a safe and effective treatment performed in your doctor's office in less than an hour, may be right for you.

To learn more about the latest options for treating enlarged prostate, join us for a free seminar:
